

THE
GLOBAL
≡ WINERY LTD ≡

The Global Winery team has over 30 years of experience in the wine trade, making, buying and selling and we are pleased to offer good quality wines from around the world. These are distinctive wines from individual wineries that you will not find widely available.

We offer the following wines because they are good, sound wines with great individual character, well made and representing good value for money.

South America in our opinion offers great value wines of a consistently high quality, and it is no coincidence that we list great Chilean wines. We also have an exciting range of wines from Spain, the 'Campos' range and Italy 'Bei Tempì' as well as individual serve wine and an own label service all offering high quality and excellent value. Our aim is to provide our customers with an unrivalled level of service, supplying high quality wine so that every bottle opened is an enjoyable experience.
